

Counsel for the petitioner is present.

The notice issued to the Respondent is returned with the shara stating that when the police reached the office of the respondent, the respondent was not in office and the staff of the respondent refused to receive the court notice.

It appears that the respondent is aware of the present petition filed before the court.

Respondent called out and absent.

Heard the counsel for the petitioner on the stay application to stay the further proceedings before the Trial Court.

It is the contention of the petitioner that the accused / petitioner is a company. In the complaint, the company was not made as a party. Thereafter, the complainant filed application to amend the complaint to implead the company. The Revision petitioner filed objections to the said application. Thereafter, the Trial court allowed the said amendment application and permitted the complainant to add the company by amending the complaint.

It is the specific contention of the revision petitioner that the impugned order passed by the Trial court is against the statutory provision under Sec. 141 of NI Act and against the established principles of Law.

Further it is submitted that the Trial Court is proceeding with the Trial.

Perused the records and the stay application.

At this stage, the revision petitioner has made out prima-facie case to stay the further proceedings of the complaint before the Trial court.

Hence, I proceed to pass the following:
