I given the report, Now I see the FSL report, it is marked as Ex.P59, Now I see the sample seal, its bear my signature it marked as Ex.P60 its signature marked as 60(a), Now I see the DVD it is marked as Ex.P61, Now I see the 65(b) certificate before this court identified it is marked as Ex.P62 its bear my signature it marked as Ex.P62(a).

GB Whatsapp messenger means it Is also WhatsApp messenger with additional features. Redmi mobile phone marked as D2a contains text conversations and it also contained the alleged messages enclosed in A2a.

MI mobile which is marked as D1a which partially supported for extraction. And deleted messages are not extracted since software supported for full file extraction only and cannot extract deleted messages.

Witness identified the D1a mobile before the court which contain two nano sims which is already marked as MO-1.

Witness identified the D2a mobile before the court which contain one nano sims which is already marked as MO-2.

D.V.D played in the open court.

Counsel for accused prays time for cross examination since today self copy of the FSL report served and they have not received the copy of the DVD and script time granted.

(Typed in open court as per the dictation of P.O.)
