

perused the contents of the application and the records. Notice issued to the respondent has returned duly served. Respondent failed to remain present and contest the present application. The applicant has produced medical Certificate of Cause of death of his late father namely Ganexama Vamona Chari. I have conducted oral inquiry with the witnesses present before me and I am satisfied that the deceased had expired on 10/11/1977 and his death is not registered as required under the law. Therefore for the above stated reasons I do not find any reason to reject the request of the applicant to direct the respondent to register the death of deceased. Accordingly I pass the following

Order

1. Application is Granted
2. The Sub-registrar of Births and deaths Mormugao Municipal Council is directed to register the death of the deceased namely Shri Ganexama Vamona Chari who expired on 10/11/1977 in the register upon payment of prescribe fees.

pronounced in open court
proceedings closed.
