

Present: Ld. APP for the State.

Accused Abbas and Salim on bail with Sh. Nasir Khan, Advocate.

Accused Rashid on bail in this case but in custody in some other case being represented by Sh. Nasir Khan, Advocate.

Accused Rashid has been produced before me in custody in some other case through V.C. Today, the case was fixed for defence evidence, if any, otherwise for arguments. At this stage, an application u/s 311 of Cr.P.C. for re-examination of PW-7 has been filed on behalf of prosecution. Learned counsel for the accused has endorsed his no objection on the margin of the application itself. Heard. In view of no objection by opposite counsel, the above said application stands allowed. Examination-in-chief and cross-examination of PW-7 namely Mehar Chand has been completely recorded. Now, case stands adjourned to **13.03.2024** for defence evidence, if any, otherwise for arguments. Accused Rashid be also produced in Court on the date fixed, if he still remains in custody in some other case.
