Further chief examination by Raily PP:

Witness has identified the damaged gate boom in the photographs and the alleaged motor cycle involved in the alleaged offence and hence the said photographs are marked Ex. P-13 and 14 respectively. Witness has produced the certificate U/sec 65(B) of Indian Evidence Act and the same is marked as Ex P-15. During my enquiry I found that the accused has committed the offence U/sec 160(2) of Railway Act 1999 as he dashed the motor cycle to the railway boom gate within our limits and accordingly I have filed complaint U/sec 200 of CrPC for the alleaged the offence before the court. Witness has idetified the said complaint and his signature found on the same which are marked at Ex. P-16 and 16(a) respectively.

Cross examination by Sri VBN Advocate:

He has reserved the cross examination after framing of charge. Hence cross examination is deferred.
