For cross Examination by the counsel for Plaintiff's

I do not know whether suit property was sold by D6 in favour of deceased D7 after filing of present suit. I do not know at the time of sale transaction there was an interim order from this court against the Defendants not to sale the suit property in favour of 3rd person. I have seen the entire documentary evidence placed in the suit. It is true after appearing in this suit we came to know about the legitimate half share of the plaintiff's family in the suit schedule property and D1 to 5 are half share in the suit property. It is not true to suggest that by filing of false affidavit I am deposing false evidence before this court.
