

CC 76/2024 PW1

**Witness appeared and duly sworn**  
**on.26.06.2025.**

**For Cross Examination :- By the defence**  
**counsel.**

I have completed ITI education, I can read and write kannada and english. I have awareness of facts mentioned under the complaint. I know the accused since more than 10 years period. He was my good friend. We were often had habit of visit house of each other. Accused had cloth shop were we used to each other. His shop was situated opposite to the KSRTC bus stop Haliyal. It is not true to suggest that for any transaction or dealing accused use to take me to anywhere. We were friends by keeping minimum distance. I do not remember exact date on which I lend money to the accused in cash. It is true at the relevant time of loan transaction I was of 25 years old and at

that time I was working Sugar Factory at Haliyal. I joined above said sugar factory in the year 2016. During corona pandemic season for the year 2020-21 the factory authority has ousted some the labors including me. Initially I have drawn monthly salary around about 6,500/-. It is true accordingly I had annual income around about 75,000/-. Since one year period now I get married. From the year 2020 after leaving of above said factory job I joined Khan Civil Consultancy in civil construction company as a site engineer which is situated at Alnavar connected to my relations. From which I use to drawn 15,000 salary per month and I use to receive my salary in cash. It is not true to suggest that if above said company is registered from there is no chance from drawing salary in cash by their employees. Witness volunteers that through my income I had saved which was extended to the accused.

At this stage witness as asked to produce relevant document for receiving salary in cash. Witness agreed to produce relevant document to show his employment and receiving salary in cash.

At this stage for producing of above said documents the further cross of witness is here by deferred.

(Typed to my dictation by the typist in open court)
