

TALUKA LEGAL SERVICES COMMITTEE, MUNDGOD
BEFORE THE NATIONAL LOK-ADALTH HELD ON
14.03.2026

Case called out. Complainant present.

Learned APP has filed an application under Section 359 of BNSS stating that, as the complainant has settled the matter with accused, she does not intend to proceed with the case.

I have carefully gone through the materials available on record. The alleged offences being compoundable in nature, the complainant/victim is at liberty to compound the offences.

Hence, the application filed by learned APP under Section 359 of BNSS is hereby allowed. Accordingly, accused is acquitted.
