

2. I have also issued the disability certificate , Ex.P-11. My signature is marked at Ex.P-11(a). The petitioner has sustained injuries at rate of 8.8 percent. The petitioner would find it difficult to do hard jobs with his left hand with said difficulty, which include the performance of Kolas also. I have produced x-rays pertaining to the petitioner, which was taken at the time of assessing the disability. The same is marked as Ex.P-14.

Cross examination:- by Sri. A.M. counsel for Respondent no. 3:

The petitioner is completely cured and is not availing any treatment now. The petitioner is able to do his day to day work, but cannot do hard work like lifting heavy objects. The disability assessed by me is in respect of left hand only and not for whole body. I saw the petitioner for the last time on 30.03.22 , while assessing the disability. It is false to suggest that the petitioner is

not suffering any disability as of now. The disability is permanent. The petitioner does not require any future treatment and is not availing any treatment now. The petitioner can perform Poojas or viniyogas at Daivastana, but cannot lift heavy objects. It is false to suggest that the petitioner is not suffering from any disability as suggested by me. It is false to suggest that I have issued the disability certificate without properly examining the petitioner. It is false to suggest that in order to assist the petitioner in getting the higher compensation, I have falsely issued the certificate in favour of the petitioner.
