

Present: APP for the State.
None for the accused.

Summons issued against the accused not received back. From perusal of the record of the case, it is evident that earlier also process has been issued to the accused several times but he has not appeared before the court. No useful purpose would be served by further adjourning the case for the same purpose i.e for summoning the accused. Hence, I am of the view that in this case if further process is issued, it will just waste the court's precious time and the court shall put unnecessary burden upon the State-exchequer.

Considering the totality of these facts and circumstances and also the fact that the matter is pending for securing the presence of the accused only under the offence of MV Act and hence being summary trial, I hereby order the present case be closed under Section 258 Cr.PC.

File be consigned to the record room after necessary compliance.
