Examination-in-chief by: learned P.P.

1. Since past 6 years I have been serving in General Hospital, Huvinahadagali.

2. On 02.09.2019, the Hirehadagali police have produced a person before me saying that he is the accused in Crime No.140/2019 and requested me to examine him medically. No injury was seen on the body of the accused person. I was also requested by the police to test the blood group of the accused. I have caused the blood group of the accused tested. I have opined that the blood group of the accused was O+ve. I have also noted that there were no blood stains on the clothes of the accused. I have issued a letter noting the above noted aspects on 02.09.2019 to the Investigating Officer. The said letter is now marked as Ex.P.71 and my signature as Ex.P.71(a).

Cross-examination by Sri. G.V.P., Advocate for Accused:-

It is true that in Ex.P.71 I have not noted the name of the police who produced the accused before me. It is true that in Ex.P.71 I have not stated that I have drawn the sample blood from the accused person. It is true that in Ex.P.71 I have not stated the name of the Lab Technician who conducted the test of the blood group of the accused person. It is true that I have not sent the lab report to the Investigating Officer along with Ex.P.71. It is not true to suggest that I have issued Ex.P.71 as per the request of the Police Officer. It is true that in report like Ex.P.71 any special mark found on the body of the person so examined would be noted therein. No such special mark found on the accused person is noted in Ex.P.71. It is not true to suggest that since the accused was not produced before me and since I have not examined the accused, I have not noted any such special mark found on the accused person in Ex.P.71.

Re-examination: Nil.
