VIJAYANAGARA DISTRICT, HOSAPETE**

**S.C. No.5057/2020**

P.W. 25 C.W. 43

Duly Sworn on : 20-12-2025.

**Cross-examination by Sri. G.V.P., Adv for Accused:-**

**Question:** In all cases pertaining to RFSL, you attend the Courts to depose?

**Answer:** I depose in those cases where I have issued reports.

In RFSL, Kalaburagi, there were 25 to 30 technical staff were there. It is true to suggest that in Ex.P.72 I have not mentioned the name of the official of RFSL, Kalaburagi, who received the material objects sent by the Police Investigating Officer for examination. Depending upon the nature of the material object received for examination, the material objects would be sent to the concerned section. At that relevant point of time I was alone in the Biology section. Before examining article nos. 9 to 12, I have verified as to whose signatures were found on it. I have not noted in Ex.P.72 report as to whose signatures were found on article nos. 9 to 12. I have not verified the name of the officer who sealed M.O.11 macchu at the time of sending the same to RFSL, Kalaburagi. It is true to suggest that the name of the officer who examined M.O.11 macchu before the same was sent to RFSL, Kalaburagi, has not come to my knowledge and that I have not noted the said fact in Ex.P.72 report. It is true to suggest that if blood stained items are properly sealed and sent immediately, the result would be correct.

**Question:** If the Police Investigating Officer has packed the blood stained cloths and macchu as per rules, the truthful result would come out?

**Answer:** I have not understood as to what is the rules that is referred to in the said question?

I have affixed my seal and signature on the material objects after examining the same. It is not true to suggest that without examining any material objects I have issued false report as per Ex.P.72, by listening to the Police. No sample blood was sent to RFSL, Kalaburagi for examination.
