Age : 36 years
Occupation : Physician

Examination in chief by : Sri. APP

I have been working as Physician for the last 8 years in 100 Bed Government Hospital at Hosapete.

On 28-05-2023 at 11.55 a.m., the CW 1 came to out hospital with history of assault.

On examination I found No external injuries on the person of the CW 1. She was complaining of body pain.

In my opinion the above injuries were simple in nature.

I have issued wound certificate to that effect. Witness identifies his signature on it. Wound certificate is marked as EX.P. 5, Signature of the witness is marked as Ex.P-5 (a).

I have issued MLC information to the concerned police. Now I see the said document. The said document is marked as EX.P. 6, Signature of the witness is marked as Ex.P-6 (a).

Cross examination by : Sri. AKN., Counsel for the accused.

It is true to suggest that the medication prescribed in Ex.P. 6 pertain to Urinary infection and gastric issues.

It is true to suggest that the Ex.P. 6 contains the information of patient type as Non MLC. The witness volunteers to state that MLC seal is put on the top of the Ex.P. 6.

It is false to suggest that the CW 1 did not complain of any pain and she did not come to the hospital with history of assault.

It is false to suggest that the Ex.P. 5 and 6 are created by me to aid the CW 1 to register the case.

It is false to suggest that I am deposing falsely in order to help the CW 1.

Re-Examination : Nil.

(Typed to my dictation in the open court, corrected and then signed by me.)
