

I Addl.Civil Judge & JMFC., Court**Vijayanagar District, Hosapete**

Witness is present before the Court today on 16.02.2026 and oath is duly administered to him.

Further Chief examination by counsel for complainant by Sri. MNK:

Witness produced and identified agreement dated 4.4.2018 and also the signature of witnesses in it. Hence this document is marked as Ex.P7 and the signature of 2 witnesses by name Ayaaz Khan and Arif as Ex.P7(a) and 7(b). witness further identified the signature of the person who executed this document by name Zahiruddin Khan and the same is marked as Ex.P7(c). further witness identified his signature in this document and the same is marked as Ex.7(d). (At the time of marking this document, counsel for accused objected by submitting that to this agreement, accused was not a party. For this objection, counsel for complainant submitted that accused has affixed his signature in it. After hearing both the counsel, and by referring the objection placed by counsel for accused, this court is of the

opinion that the merits and proof of this document can be appreciated only after the trial and at this stage which is for marking this document which is purely a ministerial act, such objection cannot be entertained and for this reason, the document cannot be marked subject to such objection and it is made clear that counsel for accused will be provided with sufficient opportunity for disproving this document and at this stage this objection cannot be tagged alongwith the marking of this document and lastly it is trite law that any document which are marked before the court will be admitted subject to It is true to suggest that proof and relevancy, hence this objection of counsel for accused is not sustained at this stage and will be considered after the trail.)

(Counsel for accused prayed time for cross examination of witness.)

(Typed by my Typist in Open Court as per my dictation. I have verified and corrected and affixed my signature to it)
