OS No. 58/2021

The Plaintiffs and PW1 all are absent. Defendant is present. Counsel for the Defendant has filed Common Objections to the IA No. 8 to IA No. 10 of the Plaintiffs.

The Stage of the Case is Posted for Further cross-examination of the DW1 on 20.01.2026 and on the said date, the Plaintiffs have filed the IA No.8 to IA No. 10 by seeking reopening of the Case to recall the PW1 for marking Further Documents in Evidence.

The Suit is for Recovery of Money and by way of filing the IA No. 8 to IA No. 10, the Plaintiffs intend to mark the Documents along with the List dated 20.01.2026. In the said documents Certified Copy of the Partnership Deed is produced. The Plaintiffs contend that, they are Legal Heirs of deceased M.M. Channaiah and they are seeking Recovery of Amount.

The List with Documents dated 20.01.2026 contains the Documents which are not Related to with the present Suit.

Since it is open for the Plaintiffs Counsel to confront these Documents during the cross-examination of the DW1 and to mark them in Evidence, I do not see any reasons to recall the Stage for the purpose of marking these Documents.

Therefore, by considering the Non Appearance of PW1 before the Court and the Documents not relevant to the Suit, the IA No. 8 to IA No. 10 of the Plaintiffs are Rejected.

Posted finally for Further cross of DW1 on 18.03.2026.
