ORDER

Heard. This application is filed by the plaintiffs alleging that the first defendant has violated the temporary injunction order and dug sand from their property using a Hitachi excavator. Hence, a commission report is necessary to ascertain the present situation. Respondent/ first defendant filed an objection and urged that the plaintiffs had reclaimed a public ditch and blocked the flow of water towards the lake on 01.01.2025. Now, the local residents have restored the public ditch. Anyway, the plaint schedule property has undergone certain changes. Hence, I find that a Commission for local investigation should be issued. IA is allowed. Adv.D.Jaysree is deputed as the commissioner to ascertain the matters in this IA. Pay batta Rs.5,000/-.
