This petition having been heard on 07.04.2025 and the Court on the same day passed the following:-

ORDER

Petitioners/Plaintiffs filed this petition to amend the plaint for correcting survey number of plaint item No.2 property as 65/8 and also its length as 100 meters.

2. Respondents/defendants filed an objection mainly contending that the application is highly belated.

3. Heard both sides and perused the records.

4. The amendments sought by the plaintiffs are clerical in nature. Hence, not much prejudice will be caused to the defendants. I am of the

opinion that the amendments sought are necessary for determining the real question of controversy between the parties. The suit was listed for trial on 07.03.2025. As rightly pointed out by the defendants, application for amendment is belated. Hence, IA is allowed on payment of costs of Rs.3000/- to respondents/defendants. For payment of costs, 19.05.2025.
