This petition having been heard on 07.04.2025 and the Court on the same day passed the following:-

ORDER

Heard. This is an application by defendants seeking a direction to commissioner and surveyor to measure out the properties as per the Litho Plan. Properties of plaintiffs were already measured out and ascertained as per the re-survey plan. Litho Map is only a Geological Map showing the characteristics of the region and does not contain the measurements necessary for a survey. Hence, I am of the considered opinion that properties of defendants also could be measured out on the basis of the resurvey plan. Advocate Commissioner has reported that defendants portion alone need to be ascertained and they are not obtaining Surveyor's date for execution of work. Hence, defendants are directed to obtain date of surveyor and co-operate with the commissioner to measure out their property as per the resurvey plan. IA is disposed of.
