This petition for remit back the commission report having been finally heard on 02.12.2025 and the court on 20.12.2025 passed the following:-

ORDER

Heard. The specific contention of the petitioner is that some mistakes and omissions are crept in in the commission report and plan. In order to prove that the Surveyor was examined as PW1. On going through the oral testimony of PW1, this court is of the view that some mistakes as contended by the petitioner are there in the commission report and plan. Proper commission report and plan are highly necessary for fairly adjudicating the Suit. Hence IA is allowed. Commission report and plan are remitted back to the commissioner for rectifying mistakes crept in as mentioned in the plan.

(Pronounced by me in open court on this the 20th day of December, 2025.)
