This petition is coming on for hearing on 25.11.2025 and the court of the same day passed the following.

**ORDER**

Heard the petitioner.

Perused the affidavit in support of injunction petition, plaint and documents. I am satisfied that a prima facie case is made out justifying the grant of an ad-interim order of injunction. Prima facie, the balance of convenience is found in favour of the petitioner. If interim order is not granted, irreparable injury is likely to be caused to the petitioner. Delay in sending the notice will defeat the object of granting the relief. Hence an ad-interim order for injunction is passed restraining the respondent and men under them from causing any damage to the 'B' schedule wall until further orders.

Comply Order 39, Rule 3 Proviso (a). Issue order and notice to the respondents. For return of notice. Adjourned to 20.12.2025.
