ORDER

Commissioner has not filed commission report. Commissioner shall file commission report next time IA 600/14 will be considered only after filing commission report, since it is to verify whether measurement of the properties as per the additional work memo filed by defendant, necessary for just decisions of the case. For the same, commission report as per the commission application filed by the plaintiff is to be considered. The commissioner was already directed to ascertain the original work memo of defendant. Hence, the commissioner is directed to file commission report after measurement of the property as per the commission application and the original work memo of defendant. Additional work memo is not to be considered at this time. After filing of the commission report, it will be decided whether, the additional work memo of defendant is to be considered or not. Issue letter to commissioner to that effect. For commission report as last chance. NTF to 31.3.2014.
