JUDGMENT

Both sides represented. Plaintiff not present. Case is listed for trial. No proof affidavit filed. No petition to remove from list and there is time bound direction from Hon'ble High Court also. The counsel for the plaintiff submitted that the plaintiff is not admitted in the hospital. In the petition for adjournment which was not dismissed yesterday it is stated as the plaintiff is admitted in hospital. Hence the plaintiff is willfully absent when the case is listed for trial. Hence suit is dismissed for trial.
