M C No. 25/2025 in SC 684/2021

ORDER

This is a miscellaneous case against the sureties of the accused in SC 684/2021 u/s. 446 of Cr.PC.

2. The above case was committed by the learned Magistrate u/s. 209 (a) Cr.PC in CP 38/2018. The accused had been released on bail by the learned Magistrate by executing bail bond for ₹50,000/- each by the accused and two sureties for like sum. After committal, the case was taken on file as SC 684/2021 before the Court of Session. The accused is facing trial for offence u/s. 307 of

IPC. The records show that though the accused was granted bail during the committal stage, he failed to appear before this court after committal upon which, bailable warrant was issued. But, inspite of repeating NBW, his presence could not be procured. Having satisfied that the bail bond forfeited, the above MC was registered u/s. 446 of Cr.PC.

3. Notice issued to the counter petitioners 1 and 2 (sureties 1 and 2) requiring them to pay the penalty or show cause why payment of the sum should not be enforced against them.

4. The counter petitioners have filed a petition as CrI.MP 4511/2025 praying for their exoneration from the liability. But, the petition stands dismissed vide separate order on this day. I also find no reasons to show any leniency in the matter of imposing penalty.

MC is allowed and penalty of ₹50,000/- each is imposed on the counter petitioners 1 and 2 u/s.446 of Cr.PC. Issue distress warrant.

Dictated to the Confl.Asst. transcribed and typed by her, corrected and pronounced by me in open court on this 10th day of September, 2025.
