O R D E R

The petition has been filed u/s 6(2)(f) and 22(a) of the Passport Act 1967, (hereinafter the Act) by the petitioner/accused in the above case for giving intimation to the Passport Authority.

2. **Brief of the petition:-** The petitioner is the accused in the above case. He has been charged for the offences u/s. 323, 324, 294(b) of the IPC. The petitioner submits that he has got a job offer and he is in need of the passport. Since the above case is pending, he could not issue his passport and he intends to apply for issuance of the passport. The said application will be considered only if this Court exempts the petitioner from operation of section 6 (2)(f) of the Passport Act. Hence, the petition.

3. Heard both sides and perused entire records.

4. The following points were raised for consideration.

1) Whether the petition is to be allowed?

2) Reliefs and costs?

5. **Points No. 1 and 2:-** The petitioner needs issuance of the passport for job purpose. It is well settled that the Criminal Court is vested with ample powers to issue directions for providing passport for a specific period and the Magistrate can fix the period for traveling abroad or even issue directions to renew the passport for a specified period in accordance with the facts and

circumstances of each and every case. Thus, the pendency of a criminal proceeding is not a bar for obtaining a passport or renewing the same or for travel abroad. The learned counsel for the petitioner submitted that if the petition is not allowed, the petitioner would be put to irreparable loss and hardship. The offences alleged against the accused is u/s. 323, 324, 294(b) of the IPC. The above case is of the year 2019. The petitioner has undertaken that he shall appear in Court as and when necessary and has also undertaken to abide by any conditions imposed by the Court. Considering all these facts, this Court is of the opinion that the petitioner can be permitted to apply for issuance of the passport by exempting from the operation of S. 6(2)(f) of the Act.

In the result, the petition is allowed as follows:

- 1. The Passport Officer, Kozhikode or any other competent authority is directed to issue the passport to the petitioner for a period of three years if being otherwise entitled for passport.*
- 2. The petitioner shall obtain permission of the Court before leaving India.*

Pronounced by me in open court, this the 2nd day of June, 2026.
