An application for postponing the proceedings of the present case and for directing the FSL Rohini to expedite the examination of case property, has been moved on behalf of the prosecution.

It has been observed that for almost more than 2 years, the matter is pending awaiting the FSL report and the case property has not been received back. Despite repeated letters issued by SHO, copies of which have been placed on record, the case property has not been returned.

The entire evidence of the prosecution has been concluded. However, the matter is being delayed because of non furnishing of FSL report. In these circumstances, the Director

FSL is directed to ensure that the report is prepared and sent on or before the next date of hearing, failing which the court shall be constrained to escalate the matter to the higher authorities.

Re-notify for PE on 09.03.2026.
