This petition filed under Order XXXIX Rule 1 of CPC for interim injunction.

This petition coming on for hearing before me on 30.05.2022 and on the same day the court passed the following.

ORDER

Heard the petitioner.

Perused the affidavit in support of injunction petition, plaint and documents.

I am satisfied that a prima facie case is made out justifying the grant of an

ad-interim order of injunction. Prima facie the balance of convenience is found in

favour of the petitioner. If interim order is not granted, irreparable injury is likely to be caused to the petitioner. Delay in sending the notice will defeat the object of granting the relief. Hence an ad-interim order for injunction is passed restraining the respondents and men under them from making any constructions by obstructing the use of plaint C schedule way and also restrained from causing any obstruction to the use of plaint C schedule way by the plaintiff, until further orders.

Comply Order XXXIX, Rule 3 Proviso(a). Issue order and notice to the respondents. For return of Notice. Adjourned to 14.06.2022.
