ORDER

This is a petition filed for temporary prohibitory injunction.

Heard the learned counsel for the petitioner/plaintiff. Perused the affidavit, petition and other documents. I am satisfied that the petitioner has made out a prima-facie case. The delay in granting the

relief would defeat the purpose of the relief. Hence, the respondents/defendants, their men are restrained by way of an Ad-interim injunction from trespassing into any portion of the plaint schedule properties, demolishing the laterite compound wall, cutting and removing yielding coconut trees, adding any portion of the plaint schedule properties to the existing road and from committing any act of waste therein until further orders. Petitioner shall comply Order XXXIX Rule 3 Proviso. Issue urgent notice to the respondents/defendants. Return of notice on 30.10.2025.

(Dictated to the Confdl. Asst. transcribed by him, corrected and pronounced by me in open court, this is the 8th day of October 2025).
