**ORDER**

This is an application seeking to reopen evidence and examine an additional witness on the side of the petitioner.

2. The averments in the application in brief are as follows :- The above case is posted for final hearing. While the respondent was cross examined, he denied his loan account in the Kannur branch of Kerala Bank while confronted with the loan ledger extract of his account. Hence, it is highly necessary to reopen the

evidence in the above case and examine the witness to prove the existence of the loan account of the respondent on behalf of the petitioner.

3. Notice was served on the respondents who did not file any written objection to the same.

4. Heard both sides and perused the records.

5. The petitioner had made specific pleadings in the petition with respect to the alleged misappropriation of gold ornaments by the respondent no.1 in the said bank. Hence, I am of the view that it is necessary to examine the witness shown in the witness list for enabling the petitioner to prove her case as well as for proper adjudication of the dispute between the parties. Considering the fact that ample opportunity was given to the petitioner for tendering evidence, the same can be allowed with costs.

In the result, the above application is allowed subject to a condition that petitioner shall pay Rs.1,000/- as cost to the respondents. Petitioner shall also take steps.
