This suit having been finally heard on 01.04.2026 and the court on the same day delivered the following:-

JUDGMENT

The subject matter of this suit was settled between the parties and they had entered into a compromise. I have gone

through the contents of the agreement and I am satisfied that the parties have entered into a lawful agreement with respect to whole matter of dispute by way of the said compromise. Hence the compromise prepared by the Advocate commissioner is accepted and the suit is decreed in its terms. Let the compromise form part of the decree. Since the parties settled the matter in a mediation section, let the court fees paid by the plaintiff be refunded and there is no order as to costs. I place my sincere appreciation on the learned counsel for both parties for their efforts to unite the parties, riven as under.

Directly typewritten into my personal laptop, corrected by me and pronounced by me in open court on this the 1st day of April, 2026.
