This petition is coming on this day for hearing, the court passed the following:-

ORDER

Heard both sides and perused the records. I found no willful latches or gross negligence on the part of the petitioner. The delay is 82 days. The reasons stated by the petitioner for the delay is seems to be reliable, because the settled principal is that the term sufficient cause in Section 5 of the Limitation Act to be liberally construed. Hence to provide a reasonable opportunity to the petitioner to contest the case I found sufficient cause to condone the delay. Hence petition is to be allowed.

But the inconvenience and hardship caused to the respondent to be

mitigated in terms of money. Therefore the petition will stand allowed on payment of cost of Rs.1000/-(Rupees One thousand only) to the respondent within 28-09-2024. Failing which the petition will stand dismissed. Hence for payment, call on 28-09-2024.
