(By Adv. R. Praveen Kumar, Addl.Public Prosecutor)

This petition is coming on for hearing on **05/03/2026** and the Court on the **same day** passed the following:-

ORDER

Both side represented. Heard. This is a bail application filed by Accused No. 4, who has surrendered before this court. Along with the bail application, a direction issued by the Honourable Apex Court was also produced. As per the said direction, this court is directed to dispose of the bail application on the same day.

The learned Public Prosecutor opposed the application. It was submitted that after the case was transferred to the LP register, the accused had obtained bail from the Magistrate Court and later absconded after the case was made over again.

The learned defence counsel submitted that the process was not issued to the correct address of the accused. According to the learned counsel, the accused is residing in Ward No. 6, whereas the process was sent to an address in Ward No. 3 and that too with a mistaken house name. It was further submitted that this is a split case and that the remaining accused in the original case were acquitted as the defacto complainant turned hostile to the prosecution. The learned counsel also produced documents to show the correct address of the accused.

After considering the facts and circumstances of the case and the submissions made by both sides, I am of the opinion that the detention of the accused is not necessary. His presence for the smooth conduct of the trial can be secured by imposing appropriate conditions.

In the result, the accused is granted bail on executing a bond for Rs. 1,00,000/- (Rupees One Lakh only) with two solvent sureties each for the like sum, subject to the condition that he shall cooperate with the trial.

Pronounced in the Open Court by me on the 5th day of March, 2026.
