

**ORDERS ON PETITION UNDER SEC.13(3) OF THE
REGISTRATION OF BIRTHS AND DEATHS ACT, 1989.**

The petitioner filed this petition in order to get birth certificate of his son by name **Mohammed Salman**, as he was born on 23.10.2007. It is the case of the petitioner that recently he has approached the respondent authority for issuance of birth certificate of his son, but the respondent authority issued an endorsement stating that the birth date of the **Mohammed Salman** was not registered with the respondent authority. However, the petitioner required the birth certificate of his son for documentation purpose.

2. Upon service of notice, the respondent remained absent and hence placed exparte. The averments made in the petition remained unchallenged. In order to prove the case of the petitioner. The petitioner got marked the Ex.P.1 to Ex.P.3. On perusing the Ex.P.1, the Non-availability certificate, it shows that the petitioner having no option to get the birth certificate approached the court with this petition and hence he has got right to obtain birth certificate of his son by name **Mohammed Salman**. On perusing the materials placed before the court, it reveals that the petitioner made his genuine effort to get the birth certificate

of his son for documentation purpose. Further, Ex.P.2 and Ex.P.3, the copy of Study Certificate and Aadhar Card of petitioner's son shows the date of birth of petitioner's son as 23.10.2007. On perusing the evidence and the supporting documents and on the basis of the reasons assigned above, I am of the opinion that the petitioner is entitle for the direction to the respondent authority in order to obtain the birth certificate of **Mohammed Salman**. Hence, I proceed to pass the following:

ORDER
