This petition having been heard on 15.09.2022 and the
Court on the same day passed the following:-

ORDER

This is a petition filed under O. XXXVIII Rule 5 of Code of Civil Procedure for attachment of the petition schedule property before judgment. Heard the petitioner. Perused the plaint, affidavit filed in support of this application and documents filed. I am satisfied from the records on file that the defendant, with intent to obstruct the execution of any decree that may be passed against him is about to dispose of the petition schedule property, belonging to him. I am of the opinion that issuance of notice in this petition would defeat the

purpose of this petition. Hence the defendants are directed to furnish security for the sum equal to the plaint claim or to appear and show cause why he should not furnish security for the same sum. There shall be a conditional attachment over the property specified in the petition schedule. Issue notice to the defendant and communicate a copy of this order to him. Communicate a copy of this order to the Sub Registrar's Office and the Village Office, having jurisdiction over the petition schedule property. For return of notice of the defendants, the case is posted to 03.10.2022.

Pronounced in open court on this the 15th day of September, 2022.
