This Petition having been heard on 10/01/2024 and the  
court on the same day passed the following:

**ORDER**

IA.1/2023 This is a petition filed under O.XXXVIII Rule 5 of Code of Civil Procedure for the attachment of the Petition Schedule Property before judgment. Heard the plaintiff. Perused the plaint, affidavit filed in support of this application and documents filed. I am satisfied from the records on file that the defendants, with intent to obstruct the

execution of any decree that may be passed against them are about to dispose of the petition schedule property, belonging to them. I am of the opinion that issuance of notice in this petition would defeat the purpose of this petition. Hence the defendants are directed either to furnish security for the sum of Rs. 400000/- equal to the plaint claim or to appear and show cause why they should not furnish security for the said sum. There shall be conditional attachment of the property specified in the petition schedule. Issue notice to the defendants and communicate a copy of this order to them. Communicate a copy of this order to the Sub Registrar's Office and the Village Office, having jurisdiction over the petition schedule property. Plaintiff is directed takes steps for sending records by registered post also. For return of notice of the defendants the case is posted to 18/01/2024

Directly type written into my personal laptop and pronounced by me in the open court on this 10<sup>th</sup> day of January, 2024.
