This execution Application having been finally heard on  
24/07/2024 and the court on the same day passed the following.

**ORDER**

The court heard and perused the records . After considering the materials, it is noted that there was sufficient time for the petition to approach the appellate court and obtain stay. Granting a stay in an execution petition can be considered only in an urgent situation. Here no such situation. So this court is of the view that petition is devoid of merit and liable to be dismissed. In the result the petition is dismissed. No order as to costs.
