Order No.34
11.08.2026

Today is fixed for hearing of the petition u/Or. 6 rule 17 read with sec.151 CPC filed by the claimant for amendment of the claim petition.

It is submitted that due to inadvertence certain typographical mistake has taken place in his claim petition and those errors are required to be corrected by way of this amendment petition. Accordingly, he has prayed for amendment of his claim petition in terms of schedule of amendment of the instant petition.

The OP No.2/Ins. Co has raised objection to this petition and submitted that the proposed amendment are not formal in nature and therefore, the same should not be allowed.

I have heard both parties at length. It appears that the proposed amendments would not change the nature and character of this claim and as the OP no.2 has not filed WO against the claim petition, he would have opportunity to counter this amendments in the said objection.

Hence, it is

ordered

that the instant petition u/Or. 6 rule 17 read with sec.151 CPC filed by the claimant is allowed on contest. Let the claim petition be amended in terms of schedule of amendment. The claimant is directed to file amended claim petition on the next date. The OP no.2 would be at liberty to file his WO against the claim petition thereafter.

To 05.12.2026 for filing amended claim petition.

D/C by me.
