**ORDER BELOW EXH.21**

1. Accused No.3 Abhay Zumbarlal Gandhi has filed present application to grant no objection to renew passport.
2. It is the contention of learned counsel for accused No. 3 that the accused has filed an application for renewal of his passport. He is resident of Ahilyanagar and doing his business in Ahilyanagar and he will not abscond. The accused will not take any undue advantage if the passport is renewed. The accused will abide by the orders of the Court. Hence, prayed to allow the application.
3. The prosecution has filed say and submitted that the matter is at the stage of evidence. If the application is allowed, the possibility of the accused travelling abroad cannot be ruled out.
4. Heard both sides, perused the application and documents filed in support of the application. The accused is already passport holder. He has filed photocopy of the same on record. As per the photocopy, his passport expired on 17/07/2022. Mere renewal of the passport will not cause any prejudice to the prosecution. The accused will have to obtain prior permission of the Court while traveling abroad. Hence, I pass the following order-
