The execution proceeding is pending for steps taken by decree holder bank since 18.11.2024. Authorised person on behalf decree holder bank is remain absent since long time. However, decree holder and its advocate failed to take necessary steps and proceed with the matter. Today, also neither authorised person on behalf of decree holder nor his learned advocate are present when called out repeatedly in both sessions till 04.00 p.m. No application for grant of time has been made.

2. Since 18.11.2024, the execution proceeding is on the same stage without any progress therein. Therefore, this Court already have passed orders to keep the matter for dismissal stage. The execution proceeding is more than 05 years old. Read the roznama, it reveals that, decree holder and his advocate remain absent consistently. It appears that decree holder has lost his interest in the proceeding. Keeping the matter on the same stage without any effective progress therein will be nothing but futile exercise.
