Taluka :- Akole

District :- Ahmednagar.

Examination-in-Chief by Ld. APP. Smt. S. A. Bhosale for the prosecution :-

1. I have completed my B.D.S. and Since year 2015 I practicing as a dentist. I run Ghodke Dental Clinic in Akole. On 24.04.2020 the patient namely Namdev Punaji Lande came to my clinic. The alleged history of assault one day back. I personally examined him. On his personal examination I found Ellis class 3 fracture of tooth number two broken fragment of tooth number two. Accordingly I issued certificate. Now it is shown to me, which is the same. It bears my signature and seal of my clinic. Contents in it are true and correct It is at **Exh. 35**. The injuries mentioned in at Exh. 35 can be caused by assault with fist and blows.

Examination-in-chief over.

Cross examination by Ld. Adv. Shri. N. B. Wakchaure for accused :-

2. I issued certificate Exh. 35 on the request of Dr. Bhandkoli. It is true to say that second tooth is not canine

tooth. It is true to say that, the ellis class 3 fracture can be caused if a person bite stone. If a person assault with blow and mouth there is possibility of injury in the inside mouth. It is true to say that, such type of injury was not present. It is true to say that, there was no inside mouth injury therefore there was possibility of injury by stone bite. It is true to say that, we take the x-ray for noting the fracture. I have taken the x-ray and same was handed over to the patient.

3. It is not true to say that, I never examined the patient namely Namdev Punaji Lande. There was no ellis class 3 fracture of tooth number two broken fragment of tooth number two. It is not true to say that, I have not issue false certificate. It is true to say that, without watching the X-ray I cannot say that there was ellis class 3 fracture of tooth number two broken fragment of tooth number two to the patient or not. It is not true to say that, I am deposing false.

Cross-examination completed.

Re examination – Nil.
