**ORDER BELOW EXHIBIT 1.****(Passed on 22/09/2025)**

Today, pursuant to the order below Exhibit 78, the cross-examination of Prosecution Witness 9 (PW9) was conducted.

02. The record indicates that this matter was previously listed for the recording of the accused statement under Section 313. On February 24, 2022, my learned predecessor had examined the accused based on the evidence of witnesses up to PW4.

03. However, subsequent to that statement, the prosecution has examined further witnesses up to PW9. In their depositions, additional incriminating substance has appeared on the record against the accused.

04. In these circumstances, it is deemed necessary to re-examine the accused under Section 313. This will provide the accused with an opportunity to explain the new incriminating evidence and state his case before the court.

05. Accordingly, the matter shall be listed for the recording of a supplementary statement from the accused under Section 313.
