

**ORDER BELOW EXH.01 IN S.C.C. NO. 618/ 2024**

Perused record and proceeding. On perusal, it appears that the Investigating Officer has not filed the Chemical Analyzer's Report on record till date. Record further shows that the prosecution has examined one witness out of the witnesses cited in the charge-sheet. In absence of Chemical Analyzer's Report, examination of the remaining prosecution witnesses, as cited in the charge-sheet, would not advance the case of the prosecution and it would amount to a futile exercise. In view of the same, no useful purpose would be served by continuing the prosecution's evidence at this stage. Therefore, the matter is posted for recording the statement of the accused under Section 313 of the Code of Criminal Procedure, 1973.
