~~~~~  
**ORDER BELOW EX.08.**

(Passed on 02.03.2026)

By filing this application, three applicants seek their addition in the appeal. It is submitted that original respondent Nos. 1 to 4 have filed present appeal challenging the order of Ld. Trial Court. Applicants are added as respondents in the proceeding under D.V. Act. To avoid any technical lacuna the applicants want to join the appeal as respondents.

2] Appellants have no objection for addition of parties. Their Ld. Advocate Shri Wadalkar has submitted that applicants may be added as respondents. Respondent No. 1 is present through her Ld. Advocate Shri S.D. Uparwat. He has submitted that applicants are necessary parties as they are party to original proceeding.

3] It is undisputed that all three applicants are added as respondents in the application under Sec. 12 of D.V. Act. Shri Wadalkar has submitted that since no relief is claimed against them and there are no adverse interests they are not added as appellants or respondents. Now he has no objection to add them in the appeal so that there shall not be technical lacuna. In such situation, application deserves to be allowed. Hence, following order:-
