

R. C. S. No. 20/2013
CNR No.MHAK07-000241-2013

ORDER BELOW EXH. 66

(Passed on 13th of July, 2022)

1. The defendants have sought production of affidavits and one instrument in support of their application for temporary injunction. The application is strongly resisted on the ground that the documents and photographs are doubtful.
2. Perused application, say and record. Heard both sides.
3. Proposed documents appear relevant to decide the controversy in hand and to avoid multiplicity of litigations. The question whether they are doubtful or reliable can be decided only after allowing their production. No prejudice would be caused to the plaintiff if production is allowed. Accordingly, the application is allowed and produced of proposed documents is allowed. Costs in the main cause.
