

ORDER BELOW EXH. 5

Heard Ld. Advocate for the plaintiff. Perused the record. This application is supported by affidavit. Considering the peculiar facts and circumstances of the matter in hand it is not justifying and compelling case to grant ad-interim ex-parte injunction without giving opportunity to other side of being heard. Hence, it is just and proper to issue show cause notice to defendants. So, issue show cause notice to defendants as to why temporary injunction can not be granted as prayed by the plaintiff. Special bailiff is allowed, if prayed.
