**ORDER BELOW EXH. 1**

Perused the record and roznama. It shows that, the complainant is absent since long and failed to proceed with the matter promptly. The matter is pending since the year 2006 i.e. since last 18 years. This is a considerable time lapse caused by the complainant due to want of the effective prosecution on the part of the complainant. The complainant to proceed effectively on the next date otherwise the necessary order will be passed.

Be noted.
