**Examination-in-Chief : Spl. APP. Ku. P. R. Lingyat**

1. I am M.B.B.S. D. Ortho qualified. Since 2017 I am practicing in my private Hospital namely 'Aakre Hospital and Bhawana Nursing Home, Bhandara'. On 12/02/2020 police came towards me in my hospital for obtaining information. On 07/02/2020 one female patient namely Sheikh was brought by her relatives towards me for treatment. She has sustain fracture injury on her right distal end radius (उजवे म्णगट). Accordingly, I applied plaster on her fracture injury. The said patient came towards me on O.P.D. basis. After giving treatment, I allow the said patient to go to her home. When the police came towards me for obtaining information, they gave me one letter. Now office copy of said letter is shown to me is the same. It bears my signature and signature, seal of the concern police respectively. It's contents are true and correct. It is **Exh.30**. After receipt of said letter, I gave the information in writing to the concerned police about arrival and treatment over the said patient. I gave the said information on the back side of the letter (Exh.30). Now the said written information which I had given is shown to me is the same. It bears my signature, seal and signature of the concern police respectively. It's contents are true and correct. It is **Exh. 31**.

**Cross examination for accused by Adv. Shri. A.P. Dobne**

3. It is true to say that the fracture injury mentioned in information (Exh.31) can be possible due to fell down. It is true to say that if some one caught in an accident, he may sustain multiple injuries.

**Qu.:-** The patient which had came towards you has sustain only fracture injury ?

**Ans:-** I cannot tell now because I have not prepared M.L.C. of said patient. Furthermore, the said patient came towards me only for treatment of fracture injury.
