(Passed on 28.10.2021)

Today this appeal is fixed for judgment. Record shows that due to pandemic situation of COVID-19 the appeal remained pending and learned Advocates of both sides had filed written notes of arguments. For deciding this appeal R & P of R.C.S. No.212/2020 and R.C.S. No.41/2015 were called and learned Trial Courts submitted the said R & P to this Court. Due to pandemic situation the Court working hours were restricted and only urgent matters were being heard. Now the regular functioning of the Court is started. In view of submission of said R & P of both the suits, this Court is of the opinion that an opportunity be given to both sides learned Advocates to make oral submissions/arguments in respect of the appeal.
