Vs.
Nasiruddin Moeenuddin & Anr.
(CNR : MHBU010016002022)

Order below Exh.43.
(Dt. 28-11-2024)

1. The opponent No.2 filed present application contending that there is negligence on the part of rider of motorcycle bearing registration No. MH-28-AG-1226, therefore there is contributory negligence in the accident and the owner & insurer of the said vehicle, were not made party to the claim petition.

2. The claimants have come in the matter that there is negligence of the truck driver and they have not pleaded about the contributory negligence in the accident. Therefore, I am of the view that it is not necessary to make the deceased and insurer of his motorcycle as party in the present matter. Therefore, the application (Exh.43) is rejected.
