

Order Below Exh. 1

The present suit is filed for partition and separate possession. The plaintiff and his advocate remained absent when called repeatedly. Today, the matter is fixed for passing DID order. The record shows that, the plaintiff is absent since long. The matter is for argument on T.I. application. But, plaintiff neither remained present nor filed any application, though sufficient opportunities were given to him. It seems that, the plaintiff has lost his interest in proceeding the matter. No purpose would be served by keeping this matter on board. Hence, I pass the following order.

: O R D E R :

1. The suit is dismissed in default for want of prosecution.
2. Proceeding is disposed off accordingly.
