Order Below Exh.20

(Passed on 10th day of February, 2026)

1] Perused the application and say of non-applicants. The non-applicants have filed this application for permitting them to file written statement/reply. It is their contention that they could not file the reply earlier. Now, they want to file the reply. The applicants opposed the application and submitted that there is a huge delay in making the application and application is liable to be rejected with heavy costs.

2] In this case it is apparent that the non-applicants did not file the written statement. Today, they have preferred this application and contended that they are ready to file the reply. On the basis of equal opportunities to both the sides, the reply is required to be filed on record for due adjudication and permission needs to be given to the non-applicants to file reply. It is the civil law that both the parties are entitled to equal chances and opportunity cannot be denied to the non-applicants. If the application is allowed, then no prejudice would be caused to the applicants. The delay caused by the non-applicants can be compensated in terms of costs. In view of abovesaid reasons, I am inclined to pass following order resulting in grant of the application.

..2..

ORDER

1. The application filed by non-applicant nos.1 and 2 is hereby allowed.
2. The non-applicants to file the written statement/reply and if it is already filed, then it be taken on record.
